As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
