

Good Cook

By Simon Hopkinson

Good Cook By Simon Hopkinson

Published as the companion volume to the BBC Television show of the same name, *The Good Cook* is a collection of 100 of legendary chef Simon Hopkinson's favorite recipes, drawn from his childhood, his restaurant career, and his most memorable meals.

A good cook, for Simon, is someone who cares as much about eating as cooking. A good recipe becomes a great dish when the cook has thought about the ingredients and treated them well. These ingredients do not have to be expensive. Simon's genius lies in his belief that a cheap cut of meat, for example, cooked with care can often taste nicer than a choice one prepared by indifferent hand.

Structured around Simon's love of good ingredients and written with his trademark perfectionism and precision, this book is for anyone who loves to cook and wants to learn from one of the best.

Editorial Review

Review

"How to make "outstanding dishes good enough for a restaurant but from the comfort of your own home". He makes the ordinary extraordinary with no need for a song and a dance." The Telegraph "Trends, for him, come and go, whereas a good pie, stew or roast is for life." The Guardian "No-nonsense is the key to The Good Cook. It returns the pie, the tart, the cutlet, the leftover, the pot roast and the toasted snack to the centre of the British eating experience" The Independent "The book is, in true Simon Hopkinson style, precise without ever being fussy." Rachel Allen "The Good Cook reminds me of a cashmere jumper. Its origins are humble, it feels ever so slightly decadent, but ultimately it is enormously comforting." Caterer & Hotelkeeper

About the Author

Best known for opening the legendary Bibendum restaurant in London in 1987 with Sir Terence Conran, **Simon Hopkinson** is the author of Roast Chicken and Other Stories. Regarded as one of the finest chefs and food writers in the U.K., Hopkinson has been awarded the Andre Simon Award and the Glenfiddich Award on three occasions.

Users Review

From reader reviews:

Deanna Stewart:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by reading books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what one you should start with. This Good Cook is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

Young Legg:

Information is provisions for anyone to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider any time those information which is from the former life are hard to be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Good Cook as the daily resource information.

Enrique Boggs:

The book Good Cook has a lot details on it. So when you make sure to read this book you can get a lot of profit. The book was published by the very famous author. Mcdougal makes some research prior to write this book. This particular book very easy to read you may get the point easily after reading this article book.

Cara Shaver:

This Good Cook is brand new way for you who has fascination to look for some information since it relief your hunger details. Getting deeper you into it getting knowledge more you know or else you who still having little bit of digest in reading this Good Cook can be the light food to suit your needs because the information inside this specific book is easy to get by means of anyone. These books develop itself in the form that is certainly reachable by anyone, yes I mean in the e-book web form. People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book variety for your better life as well as knowledge.
