Editorial Review

About the Author

Paul W. Thurman, a Columbia MBA valedictorian, service award winner, and multiple teaching-award recipient, has extensive management consulting and line management experience helping a variety of start-ups and Fortune 500 companies realize value from innovative and coordinated business, operations, and technology strategies. Paul currently teaches strategic management and data analysis courses at Columbia University's School of International and Public Affairs and at its Mailman School of Public Health. In addition to his full-time faculty appointments, Paul serves as a clinical professor and affiliated researcher at the National Cancer Institute's Center for Cancer Research at the National Institutes of Health. Paul received his BS in mathematics from Stanford University and his MBA from Columbia University (with highest honors). He lives in Scarsdale, New York.

Users Review

From reader reviews:

Jeffrey Sandoval:

What do you think of book? It is just for students since they are still students or that for all people in the world, the particular best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't would like do that. You must know how great and important the book MBA Fundamentals Statistics (Kaplan MBA Fundamentals). All type of book are you able to see on many resources. You can look for the internet methods or other social media.

Brenda Seddon:

What do you about book? It is not important along with you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question simply because just their can do in which. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this particular MBA Fundamentals Statistics (Kaplan MBA Fundamentals) to read.

Barbara Wheat:

Are you kind of stressful person, only have 10 or 15 minute in your time to upgrading your mind talent or thinking skill also analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short period of time to read it because all of this time you only find reserve that need more time to be go through. MBA Fundamentals Statistics (Kaplan MBA Fundamentals) can be your answer given it can be read by anyone who have those short extra time problems.

Donna Cauley:

Is it anyone who having spare time in that case spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This MBA Fundamentals Statistics (Kaplan MBA Fundamentals) can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?
