Prepper's Urban Survival Handbook: How to Prepare for and Survive an Urban Disaster and What to Do When the Grid Goes Down

What skills are necessary to survive an urban disaster and how to live in a grid-down society

This book was written for one purpose: to teach you the specialized skills necessary for surviving an urban disaster. Even something as simple as a widespread power outage can quickly escalate into a full-scale emergency as people struggle to cope with the lifestyle changes required to survive these situations. You will learn how to make a survival plan which includes provisions for evacuating if possible and hunkering down within the city limits if necessary. You will learn how to procure food and water. We will also talk about self-defense, creating a bug out bag, generating power when the grid fails and even tactics that can help you survive if and when a riot breaks out as a result of a disaster.

Learn what specialized skills are necessary for surviving an urban disaster.

Also, you'll discover..

How to live off the grid when the power goes out.

The five best handguns for urban self-defense.

How to an urban survival plan that will keep you alive no matter what happens.

And much more!

Table of Contents
