

A Bride for One Season: Married to the Tokyo Billionaire (A BWAM Romance)

By Imani King

A Bride for One Season: Married to the Tokyo Billionaire (A BWAM Romance) By Imani King

I'm what they call a hostess, an entertainer at one of the finest bars in Kyoto.

That means three things: I don't kiss. I don't sleep with my clients. And I don't do relationships.

My life in Japan has protected me from the sorrows of my past—I'm an island, and I can't be hurt. If it weren't for the debt collectors breathing down my neck, my life would be perfect.

Danilo Yamakawa—half-Japanese, half-Brazilian, all man—strolls into my life with a proposal I can't possibly refuse.

He's brash. He's pushy. He's in control, just like his father before him.

But with Danilo, I can finally leave this country and live without ties to my life back home.

It soon becomes clear that I can't be around Danilo without wanting to break every rule—the ones from my job, and the ones that have carefully guided my life.

With any other man, the solution would be easy.

But I've just agreed to become Danilo's wife, and the payout is ten million dollars.

I just hope he doesn't break me - and the walls that keep my past from crashing back in.
