Editorial Review

Review

"Fundamentals of Body MRI has been long overdue – as one of the most complex fields in radiology, body MRI needs a ‘fundamentals’ text. The volume fulfills that need, giving readers authoritative coverage of key concepts in body MRI. In print and online, this detailed and heavily illustrated reference will help readers effectively master the complexities of interpreting findings from this imaging modality. Abstention from the passive tense further enhances the readability of this text." - SirReadaLot.org

Users Review

From reader reviews:

Christopher Rayes:
