Shifting Dreams (Cambio Springs Book 1) By Elizabeth Hunter

In Cambio Springs, everything--and everyone--changes.

Most days, widowed hawk shifter Jena Crowe cannot get a break. Work at her diner never ends, her two boys are bundles of energy, and she's pretty sure her oldest is about to turn into something furry or feathery.

Caleb Gilbert was looking for change, and the quiet desert town of Cambio Springs seemed like just the ticket for a more peaceful life. He never could have predicted just how crazy his new life would become.

When murder rocks their small community, Caleb and Jena will have to work together. And when Caleb isn't put off by any of Jena's usual defenses, she may be faced with the most frightening change of all: lowering the wall around her carefully guarded heart.

SHIFTING DREAMS is a stand-alone paranormal romance in the Cambio Springs Mysteries.

Well ok, a lot of hot. ...It has everything I want in a book ...a great mystery that wasn't easy to solve, a romance that took its time building up, and an array of characters that could easily keep this series going for a while."
