Editorial Review

From the Author

Hi, I'm Mike Kim, the author of *The LSAT Trainer*. Thank you for considering my new book. I have spent many years developing LSAT learning products, training LSAT instructors, and, most importantly, working with LSAT students. I've seen countless students improve their scores significantly, and, unfortunately, I've also seen countless students not improve their scores significantly. I understand the common challenges that students face, and I understand how students actually get better at this exam. I've put everything I know about the test into *The LSAT Trainer*.

My mission is to be an advocate for hard-working, self-motivated students, especially those with large ambitions but limited means. I believe that *The LSAT Trainer* is the finest LSAT learning tool available, in any form or at any price. If you'd like to see an extended sample before purchasing the book, please visit *The LSAT Trainer* website, where you can view eight chapters for free.
