The Naked Truth About Sexuality By Havilah Cunningham

God is the author of sex. In the beginning, God made mankind, male and female, and blessed their lives with a big YES: Yes, have a fulfilling, abundant life! Yes, have lots of sex! Yes, make lots of babies! Yes, fill the Earth! “The only time God said no to sex was when sex was not protected, or maybe we should say, when we were not protected. God never designed sex to be experienced a la carte. It is part of a package deal...” We were made to build connections-- body to body, soul to soul, and spirit to spirit. Since Adam and Eve left the Garden, mankind has been trying to understand and define what healthy sexuality looks like. This shame-free, hope filled, entertaining and informative resource will answer your questions about sexuality including: What does God have to say about sex? Why did God give us a sex drive? Where is the line? Why is porn so addictive? How does sex affect us: body, soul, and spirit? Why do we feel so attached to the people we’ve been involved with? What do we need to live healthy, vibrant, abundant lives? The Naked Truth About Sexuality is a practical, Biblical guide to understanding God’s original design for sexuality.
