Editorial Review

Review

"It is quite simply, a treasure! It is one of those rare books that will sell & sell & sell..plus, it will enrich the lives of those who give it and receive it." (*Bookstore Owner*)

"The concept of timelessness, perfection, love...eternity are all brilliantly and literally portrayed." (*Hospice Chaplain*)

"I love the book and I am very choosy about what I pick out for our resource center. This book is a treasure!" (*Director, Fernside, A Center for Grieving Children*)

About the Author

Warren Hanson is an author, an illustrator, a musician, and a public speaker. He wrote and illustrated such beloved books as THE NEXT PLACE, OLDER LOVE, BEGINNING, RAISING YOU ALONE, PAW PRINTS IN THE STARS, TODAY'S SPECIAL, DEAR ME, and more. He is the illustrator of Tom Hegg's classic CHRISTMAS TEA and PEEF books, Richard Jorgensen's READING WITH DAD, and Rick Kupchella's TELL ME WHAT WE DID TODAY, and is the author of GRANDPA HAS A GREAT BIG FACE, THE SEA OF SLEEP, BUGTOWN BOOGIE, and IT'S MONDAY, MRS. JOLLY BONES!

Warren is a favorite of both students and teachers for the many school visits he does each year. He is a frequent speaker at churches and banquets, and at conferences on literacy, caregiving, marriage, and life in general.

His business card describes Warren Hanson as "illustrator, author, amateur". As an amateur, he goes back to the word's Latin root, which means "someone who does something purely for the love of doing it". Warren Hanson loves what he does. And it shows.

From reader reviews:

Thomas Tritt:

What do you regarding book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They need to answer that question simply because just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this kind of The Next Place to read.

Princess Bequette:

Here thing why this kind of The Next Place are different and reputable to be yours. First of all reading a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. The Next Place giving you information deeper including different ways, you can find any publication

out there but there is no reserve that similar with The Next Place. It gives you thrill reading journey, its open up your own eyes about the thing this happened in the world which is possibly can be happened around you. You can actually bring everywhere like in park, café, or even in your technique home by train. When you are having difficulties in bringing the branded book maybe the form of The Next Place in e-book can be your alternate.

Agustin Byler:

Exactly why? Because this The Next Place is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who write the book in such remarkable way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the publication store hurriedly.

Carlton Wood:

Many people spending their time frame by playing outside along with friends, fun activity using family or just watching TV all day every day. You can have new activity to spend your whole day by examining a book. Ugh, you think reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like The Next Place which is keeping the e-book version. So , why not try out this book? Let's view.
