### Editorial Review

From the Author

*Visiting Small-Town Florida* is the book that put me on the map--my best seller and some tell me my most insightful work. This is the Third Edition, although it is actually the fourth version of this book. There were two volumes of the First Edition (1997 and 1999), in 2003 I did the Second Edition, and the Third Edition came out in 2011.
