Witched At Birth (A Paris, Texas Romance Book 1) By Dakota Cassidy

A small town, a parole officer, and the blazing Texas heat, all wrapped up in a laugh-out-loud romantic comedy from *USA Today* bestselling romantic comedy author, Dakota Cassidy. Paris, Texas will never be the same after not-so-good witch Winnie serves out her parole with determination...determination to get out of this small town and back to the 'real world'. *Witched At Birth* will keep you turning the pages of this paranormal contemporary romance as you discover the secret hiding in the shadowy corners of Paris...Texas that is!

Freshly sprung from witch jail, Winnie Foster just has to fulfill the conditions of her parole and she's home free.

Too bad that parole takes place in Paris. (Texas!) Where she'll work at a school for the magically inclined. (KIDS!) And be forced to endure the ex, who's one of the very reasons she landed in the pokey to begin with. (GAH!!)

Bratty tots, sexy ex, timed showers, creepy dolls, magic restrictions, and a GPS with an attitude, all wrapped in a Texas town hotter than the surface of the sun? Oh yeah. No way this could go wrong!

This contemporary paranormal romance contains magic, witches, demons, folklore, and mythology.

Author Note: *Witched At Birth* was originally published in the anthology *Twelve Shades Of Midnight* in December of 2014. My buddy, Robyn Peterman and I co-wrote the first chapters of our contributions together as a collaborative effort--with each of us writing our heroine's dialogue. The concept was plotted, and created by both parties during lots of giggling phone calls.

When the anthology disbanded, Robyn and I each took our titles and republished them (see Robyn Peterman's *Switching Hour*) as stand-alone titles. In the process, Robyn chose to revise and change the name of my character (Winnie).

So, if you've read Robyn's book and are just now reading mine (or vice versa) you're not seeing things! Our first chapters are very similar--please take care in noting the details of our book's publications in reviews and on

social media. **Dakota Cassidy xxoo**

Author Note: **Witched At Birth** was originally published in the anthology **Twelve Shades Of Midnight** in December of 2014. My buddy, Robyn Peterman, and I co-wrote the first chapters of our respective contributions together as a collaborative effort--with each of us writing our own heroine's dialogue. The concept was plotted and created by both parties during lots of giggling phone calls.

When the anthology disbanded, Robyn and I each took our titles and republished them (see Robyn Peterman's **Switching Hour**) as stand alone titles. In the process, Robyn chose to revise, and thus, change the name of my character (Winnie) in order to utilize said character in upcoming installments.
