**Black On Black (Quentin Black Mystery #3): Quentin Black World** By JC Andrijeski

**From USA TODAY bestselling author, another adventure with Quentin Black and Miri Fox - a book in the Quentin Black World. Paranormal Mystery Romance.**

*"What kind of confession are you looking for, brother...?"*

Black disappears, leaving Miri alone in San Francisco mere days after they return from Bangkok. No explanation. Not a word about where he is, what he's doing, what his mysterious new contract entails or even who he's working for. Black will only drop cryptic hints, leaving her breadcrumbs.

Miri can feel him though. More every day. She feels so much from her dreams and into her waking life that her world starts to spin out of control, especially when things between Black and his new employer begin to sour. Black's in danger, although he won't admit that, either. Worse, his new "job" starts to look more like being run through the gauntlet, proving his loyalty to his race and to the psychopathic Lucky Lucifer who controls a mysterious cult of seers.

Only Miri can save him. But to help Black, she has to cross lines she swore she'd never cross, exposing herself in a way that will change her life forever.

Book three in the paranormal mystery series starring brilliant but dangerous psychic detective, Quentin Black and forensic psychologist, Miri Fox.

Standalone novel. No cliffhanger.

**\*Warning: this book contains graphic language, rape, and violence. Mature readers only. Not intended for young readers.\***

BLACK ON BLACK is book 3 in the Quentin Black Mystery series - a series set in the Quentin Black World. It is also a spinoff from the Bridge & Sword (Allie's War) series, and takes place in the wider history/world of the seers.

Next in the Quentin Black Mystery series: Black Is Back, followed by the Black And Blue (Quentin Black: Shadow Wars #1), and Black Of Mood (Quentin Black: Shadow Wars #2)

**THE QUENTIN BLACK WORLD** encompasses a number of dark, gritty paranormal mystery arcs with science fiction elements, starring brilliant and mysterious Quentin Black and forensic psychologist Miriam Fox. For fans of realistic paranormal mysteries with romantic elements, the series spans continents and dimensions as Black solves crimes, takes on other races and tries to keep his and Miri's true identities secret to keep them both alive.
