

Clinical Case Studies for the Family Nurse Practitioner

From Leslie Neal Boylan

Clinical Case Studies for the Family Nurse Practitioner From Leslie Neal Boylan

Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Editorial Review

Review

"This book provides useful and pragmatic case studies that are not overwhelmed by extraneous information frequently found in books like this. The cases are clear, to the point, and varied to provide examples that one would encounter in a typical practice. It is a useful reference for students and new practitioners to help them organize patient care and presentations, as well as their critical thinking skills." (Doody's, 27 January 2012)

From the Back Cover

Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field.

Clinical Case Studies for the Family Nurse Practitioner is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Angela Taylor:

Don't be worry in case you are afraid that this book will certainly filled the space in your house, you might have it in e-book technique, more simple and reachable. This Clinical Case Studies for the Family Nurse Practitioner can give you a lot of friends because by you checking out this one book you have matter that they don't and make anyone more like an interesting person. This particular book can be one of a step for you to get success. This reserve offer you information that perhaps your friend doesn't recognize, by knowing more than other make you to be great folks. So , why hesitate? We need to have Clinical Case Studies for the Family Nurse Practitioner.

John McKeever:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Clinical Case Studies for the Family Nurse Practitioner can make you feel more interested to read.
