Coastal Cruising Made Easy is not only the official textbook for the ASA Basic Coastal Cruising Standard (ASA 103), but also the definitive go-to resource for all sailors who enjoy cruising and destination oriented sailing. The text is published in full color and contains striking sailing photography from well-known photographer Billy Black, and world-class illustrations from award-winning illustrator Peter Bull. One of the text's most distinguishing features is its user friendly "spreads" in which instructional topics are self-contained on opposing pages throughout the book.
