If your products include electricity, natural gas or related products, this drip list campaign will engage your prospect and have them calling you.

These autoresponder messages contain humor, personality, and are energy and deregulation related.

They are perfect for the person who looking for a REAL residual income.

Each email ends with asking the prospect to call you now as the call to action.

How and Why an autoresponders campaign works:

If you have been in Network Marketing for any length of time, you probably have accumulated a list of prospects and their email ad-dresses. However, many of these prospects have entered the 'witness protection program'. In other words, they never call back or reply to your emails. Most people forget about this list, but there is GOLD in it!

Now, you probably have an email system you pay for that is filled with 'canned' autoresponders about your company, or even some generic versions to send to your list. Sometimes this is part of your 'back-office'. But, have you read these autoresponders being sent in your name?

They are deadly bad.

Here's why:

They are dry, impersonal and dull.

Let's face it. Most of us can't write a note to save our lives, let alone a well-crafted email campaign. Forget learning a skill that will take you years to master - just use these expert messages instead!

That's where this book of powerful 'energy industry' autoresponder messages will come to your aid.

Inside are 30 rock solid emails that focus on your prospects and how they can create a REAL residual income with your company. With engaging humor and playfulness, they will show how YOU and your company and products can help people improve their financial picture, and why energy is the right product for network marketing.

FULL DISCLOSURE - this is a small book - 30 powerful emails. You are not paying for the quantity of words, you are paying for the quality of the message and for getting your phone to ring. Get your phone ringing today by investing in your energy business with these powerful email messages.

About the Author

If you want to remember one thing about David Williams it's this:

He believes in OFFLINE prospecting and ONLINE follow up!

David Williams has been a top earner and top performer in networking for over 25 years. He has worked all over the world building teams successfully. In the last five years he has worked with corporations to develop MLM opportunities as well as top performers to create recruiting systems for their teams.

He also delivers 'insider only' high priced seminars for 'the big dogs' on practical MLM: prospecting, recruiting and team expansion.

In 2012 he decided to put into book-form some of the trainings he has done, and offer them on Amazon. He does not do any marketing for these books. There is one part-time staff member at his very small publishing house that does promote his work. Typically his work spreads word-of-mouth and word-of-mouse. Williams decided to present his insiders training at price levels that are affordable via Amazon to anyone but is not trying to disrupt the high priced seminars business either. Rather he feels that his readers are new and future leaders who are not even aware of these insider events but will one day will be seated there if they follow his systems.

Williams is not actively working any MLM program but enjoys 8 different residual income sources and in multiple currencies.

His favorite MLM tips include: * Fire your Upline * Be the Upline you want * Never stop recruiting * How much money would I make today if my downline did what I did? He hates 'fluff' training.

He writes a MLM email training letter that he sends weekly - you can sign up too at DavidWilliamsMLMAuthor.com Those who have signed up for David's newsletter may reach him via that email address. Feel free to contact him with any question.
