*By Andy Stanley*

### **Fields of Gold (Generous Giving) By Andy Stanley**

A practical and inspirational book based on the principle of sowing and reaping. If we sow fear, what will be our harvest? And conversely, if we sow faith, what will we grow? This book moves the reader beyond fear and guilt about giving and into confidence, security, and excitement. Andy Stanley unpacks our irrational fears about money, helping us to discover that generous giving is actually an invitation for our heavenly Father to get involved in our finances and resupply us with enough seed to sow generously throughout our lifetime.

What will you do with your handful of seed?

God has given each of us the opportunity to partner with him in the greatest work of all: kingdom work. As stewards of his resources, we have a choice. We can sow the seed or we can lock it away out of fear.

Even though we know we should give a portion of our income to God, fear often stands in the way of generosity. And when we let it, this fear has the potential to rob us of an intimate relationship with God.

Worse yet, fear can cause us to handle our finances in a way that locks him out completely.

But when we give God what is rightfully his, we acknowledge his power and greatness, opening ourselves up to limitless joy and peace that comes from trusting him.

In *Fields of Gold*, author Andy Stanley shows us that those who sow generously can expect to reap generously and receive a bountiful return.

When we open our hands and plant our seed, the rewards are guaranteed: Fields of gold--in this life, as well as the life to come. --*This text refers to an out of print or unavailable edition of this title.*

--From the Inside Flap

Perhaps you once dreamed of sowing fertile fields of generosity. But reality has taught you to be more cautious. What if I give away too much? What if there s not enough left for me? What if. . .

As Christians, we know that we should give but sometimes it s so hard to take that step of faith and let go when it comes to our finances. Under the growing pressures to make ends meet each month, it s easy to become irrational in our thinking about God, his faithfulness, and our role as stewards of his resources.

Author Andy Stanley reminds us that if we truly believe that God is who he says he is we have no reason to fear. Doesn t it make sense to trust the God of the Universe with your finances? Isn t it time to put aside the worry and start living in confidence?

Fields of Gold will change the way you think about money and giving. When we truly understand God s power and presence, we can t help but trust him to meet our needs. And once we realize that it really is better to give than to receive, there s no limit to what God will do with our gifts! -- *This text refers to an out of print or unavailable edition of this title.*
