Like a Hurricane: The Indian Movement from Alcatraz to Wounded Knee By Paul Chaat Smith, Robert Allen Warrior

It's the mid-1960s, and everyone is fighting back. Black Americans are fighting for civil rights, the counterculture is trying to subvert the Vietnam War, and women are fighting for their liberation. Indians were fighting, too, though it's a fight too few have documented, and even fewer remember. At the time, newspapers and television broadcasts were filled with images of Indian activists staging dramatic events such as the seizure of Alcatraz in 1969, the storming of the Bureau of Indian Affairs building on the eve of Nixon's re-election in 1972, and the American Indian Movement (AIM)-supported seizure of Wounded Knee by the Oglala Sioux in 1973. *Like a Hurricane* puts these events into historical context and provides one of the first narrative accounts of that momentous period.

Unlike most other books written about American Indians, this book does not seek to persuade readers that government policies were cruel and misguided. Nor is it told from the perspective of outsiders looking in. Written by two American Indians, Paul Chaat Smith and Robert Allen Warrior, *Like a Hurricane* is a gripping account of how for a brief, but brilliant season Indians strategized to change the course and tone of American Indian-U.S. government interaction. Unwaveringly honest, it analyzes not only the period's successes but also its failures.

Smith and Warrior have gathered together the stories of both the leaders and foot soldiers of AIM, conservative tribal leaders, top White House aides, and the ordinary citizens caught up in the maelstrom of activity that would shape a new generation of political thought. Here are insider accounts of how local groups coalesced to form a national movement for change. Here, too, is a clear-eyed assessment of the period's key leaders: the fancy dance revolutionary Clyde Warrior, the enigmatic Hank Adams, and AIM leaders Dennis Banks and Russell Means. The result is a human story of drama, sacrifice, triumph, and tragedy that gives a ground-level view of events that forever changed the lives of Americans, particularly American Indians.

Editorial Review

Review

Essential reading. -- *Kirkus Reviews*

Smith (Comanche) and Warrior (Osage) have fashioned a highly readable history of Native American activism. -- *Choice*

Told with a rare mix of passion and objectivity. People who want to understand the Indian history of this century will have to read this book. -- *Martin Cruz Smith*

[Like A Hurricane] is a thorough and workmanlike study of a critical period in recent Indian history. -- *San Francisco Examiner*

[Smith and Warrior] sharpen our understanding of what exactly went on during the brief but passionate and paradigm-shifting Indian rights movement between 1969 and 1973. -- *Booklist*
