

## Microsoft Publisher 2013: Illustrated

By Elizabeth Eisner Reding

### Microsoft Publisher 2013: Illustrated By Elizabeth Eisner Reding

Praised by instructors for its concise, focused approach and user-friendly format, the Illustrated Series engages both computer rookies and hot shots in mastering Microsoft Publisher 2013 quickly and efficiently. Skills are accessible and easy-to-follow thanks to the Illustrated Series' hallmark 2-page layout, which allows students to see an entire task in one view. New Learning Outcomes outline the skills covered in each lesson, and larger full-color screens represent exactly what students should see on their own computers. Each unit begins with a brief overview of the principles of the lesson, and introduces a case study for further application.

### Editorial Review

#### Review

"I like the very user-friendly approach and layout of the Illustrated book, as well as the pedagogy - the review skills and concepts. The students are reading and using the extra tips and information in the margins, which is a surprise to me because with the previous book I used they were overwhelmed by too much information. This 'hits it'."

"My custom Illustrated books cover the material well. My students tell me that they are written in a way they can understand. The books give excellent material but leaves the instructor room for innovative projects. The exercises are great learning tools. When the students tell me they are reading the text, I know we have made a good choice."

"Very user-friendly for students. Good graphics and activities. Provides the concepts in a way students understand."

#### About the Author

Ms. Elizabeth Eisner Reding has authored numerous books for Delmar and Course Technology on a variety of software programs, including Adobe Photoshop, Microsoft Office, and Microsoft Publisher. Living in New Mexico with her husband, Ms. Reding spends her free time grilling, water gardening, road and mountain biking, and collecting Southwestern art.

### Users Review

#### From reader reviews:

##### Barbara Tucker:

In this 21st centuries, people become competitive in every way. By being competitive right now, people have do something to make them survives, being in the middle of the actual crowded place and notice through surrounding. One thing that often many people have underestimated the idea for a while is reading. That's why, by reading a book your ability to survive improve then having chance to stand than other is high.
