

Sex and Gender

By John Archer, Barbara Lloyd

Sex and Gender By John Archer, Barbara Lloyd

Sex and Gender (2nd ed.) is a substantially revised edition of a classic text. Adopting a balanced approach to the often controversial study of sex differences, the authors introduce the reader to the fundamental questions relating to sex and gender in an accessible way. Drawing on the latest research, new developments are explored such as the rise of evolutionary psychology and the influence of Social Role Theory as well as new psychoanalytic and ethno-methodological approaches which have all contributed to a greater understanding of the complex nature of masculinity and femininity.

Editorial Review

Review

"This second edition of John Archer and Barbara Lloyd's *Sex and Gender* is extremely wide-ranging and tackles challenging theoretical issues, including the ultimate origins of sex differences in human behavior. In bringing social, developmental, and evolutionary theories to bear on many different types of female and male behaviors, Archer and Lloyd have produced an intellectually sophisticated text. Yet, the writing is engaging and accessible to undergraduates. Another plus is that the research covered in the book stems from a wide range of cultures. This is a truly outstanding book!" Alice Eagly, Professor of Psychology, Northwestern University

About the Author

John Archer is Professor of Psychology at the University of Central Lancashire, Preston, UK. His research interests are aggression, violence, sex and gender, and grief. He is the author of a number of books, including *The Nature of Grief* (1999), *Ethology and Human Development* (1992) and *The Behavioural Biology of Aggression* (1988). He is a Fellow of the British Psychological Society and President-Elect of the International Society for Research on Aggression.

Users Review

From reader reviews:

Agnes Higa:

Inside other case, little persons like to read book *Sex and Gender*. You can choose the best book if you appreciate reading a book. Provided that we know about how is important some sort of book *Sex and Gender*. You can add knowledge and of course you can around the world by a book. Absolutely right, because from book you can realize everything! From your country right up until foreign or abroad you will end up known. About simple point until wonderful thing you can know that. In this era, we are able to open a book or maybe searching by internet gadget. It is called e-book. You can use it when you feel uninterested to go to the library. Let's go through.

Alberta Smith:

This *Sex and Gender* book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is definitely information inside this guide incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. That *Sex and Gender* without we realize teach the one who reading it become critical in imagining and analyzing. Don't be worry *Sex and Gender* can bring whenever you are and not make your carrier space or bookshelves' come to be full because you can have it with your lovely laptop even mobile phone. This *Sex and Gender* having great arrangement in word and layout, so you will not experience uninterested in reading.

Ruby Sprankle:

This book untitled Sex and Gender to be one of several books that best seller in this year, here is because when you read this publication you can get a lot of benefit in it. You will easily to buy that book in the book retailer or you can order it by means of online. The publisher in this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Cell phone. So there is no reason for your requirements to past this e-book from your list.

Brenda Fairfax:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Sex and Gender can make you sense more interested to read.
