A Hot and Sexy Bad Boy MC Biker Romance!

Ellie Hanover had everything in her life lined up just the way she wanted it. A great boyfriend, a great job, and an amazing house in the neighborhood she'd always dreamed about. Then, one day, it all goes away. The man, the job, the house; it all just vanishes before her eyes. Homeless and broke, she has nowhere to go. Nowhere to go, but home. Raised in the Python Motorcycle Club, she hasn't been back since her dad died. She still talks to some of the old ladies, though, so she knew there was a place for her if she needed it.

Constantine "Shadow" Brooks took over as President of the Python MC three years earlier and has been too busy getting the club straight to even think of an old lady. That is, until Ellie walks through the clubhouse doors. Most of the members know her and still respect her as the old president's daughter. Which means, she's still off limits for them. Shadow doesn't do limits, though. This alpha biker wants to make the feisty woman his.

Ellie isn't feeling too fondly towards men after what happened with her ex, and she really doesn't go for the biker types, usually. She watched the way they acted towards women when she was growing up, and that ruined it for her. Watching Shadow has her doubting her resolve, however. The man is dangerously hot and oddly possessive of her. It lights a part of her that has never been lit. With Shadow fighting for her and her body fighting against her, she doesn't know if she'll be able to resist the man. She only knows she doesn't want to have to start over again, so she needs to be careful while playing with fire.
