-  
Once unmasked, can beauty love the beast?...

-  
My name is Lena Seagull. I should still be in school, hanging out with friends, meeting boys, falling in love--just like you. But on my eighteenth birthday my father sold me. Now, those are yesterday's dreams. My home is now a remote castle. And the man who owns me? I have never seen him. Guy Hawke keeps his face hidden under a mask. At first, I knew only fear, but now his voice and touch make me unashamedly want him. Each night, his hired help blindfolds me, and takes me to his room. He whispers that I am beautiful and we have wild, torrid sex. When I awaken he is always gone. He and his castle hold dark secrets that I must unravel, but what he fears most--being unmasked--is my deepest desire. Will either of us survive the consequences of my desire?

### Editorial Review

#### About the Author

Georgia Le Carre writes contemporary and adult romance and is the bestselling author of the Amazon # 1 bestseller, the billionaire banker series. She lives in a little old 19th century romantic cottage, surrounded by the most magical garden, filled with fruit and walnut trees and teeming with wildlife. Her diet includes all things chocolate and a voracious appetite for Romance reads, particularly new authors with a fresh voice. When she is not feeding words into Amy, her precious laptop, she can be found lost in a long walk in the woods, particularly on moonlit nights; and often with the man of her dreams.
