High-Yield™ Acid-Base (High-Yield Series) By J. Craig Longenecker MD MPH

The goal of this book is to provide a bridge between the acid-base physiology taught in the classroom and the evaluation of the patient on the wards. This book will enable the reader to develop a practical and reasoned approach to the patient with an acid-base disorder. Additional resources at the back of the book include an abbreviation list to familiarize readers with common terms associated with acid-base pathophysiology and a comprehensive list of suggested readings.
