O caldeirão da magia amazônica (Portuguese Edition) By Suely Cals

O caráter místico das plantas é muito importante na cultura do povo da Amazônia. Embora todas as culturas tenham em sua raiz a flora e fauna como fonte para adquirir conhecimento e fazer contato com a divindade, as informações ainda são transmitidas de forma oral e envolvidas no sagrado. Uma vez que para alguns, as plantas possuem personalidade e características bem distintas, tanto quanto as Deusas e Deuses que nos rodeiam.

Em O Caldeirão da Magia Amazônica, Suely Cals propõe a preservação desses recursos naturais, além de descrever o preparo de receitas e aplicações para águas, óleos e amuletos. Você vai encontrar também um pequeno glossário com os nomes e aplicações das principais plantas da região amazônica: usos medicinais e propriedades mágicas.
