Rise of the Faire-Amanti (The Ascendant Series Book 3) By Raine Thomas

This is a New Adult novel recommended for ages 17+.

Stranded in the desolate Dark Lands, Kyr and Ty share a bittersweet reunion. Alametria lies on the brink of darkness. Their people are still reeling, believing she's dead at Ty's hands. With no other choice, many have turned to the Guardians and Advisor Vycor for guidance, never suspecting they're being led to slaughter.

Kyr and Ty encounter overwhelming challenges in their fight to save their people: a deadly environment, murderous Marauders, and powerful protections preventing them from reaching the palace. When the journey itself could mean their deaths, the one thing that keeps them going is the thought of bringing VycorDane to justice.

Facing a battle on multiple fronts, lacking resources, and significantly outnumbered, Kyr and Ty must rely on each other in the race to save their planet. Will they beat the odds and restore peace to Alametria...or will Vycor's evil destroy them all?
