## **A message from Urban Gardening expert and horticulturist Dane Alexander**

Welcome, and thanks for checking out this page. I believe the universe brings us to certain places for a reason and you are here for a reason. I first began with urban gardening around 7 years ago when I lived in the city and had a very small back yard. I knew that I wanted to include more fruits and vegetables in my diet so I began to research and set up my own vertical garden. It was amazing at what I could accomplish in such a small space. Now I teach Urban Gardening and still practice it today even though I have a much larger back yard to work with. The possibilities are endless!

**The Truth is:** - You are going to get all my years of research and expertise at a bargain price so that you can apply these techniques and reap the benefits and rewards that they offer!
