Dangerous Lies By Becca Fitzpatrick

A teen is forced to make a fresh start after witnessing a violent crime—but love and danger find her anyway in this novel from Becca Fitzpatrick, the *New York Times* bestselling author of the Hush, Hush saga.

Stella Gordon's life is a lie.

She does not belong in Thunder Basin, Nebraska. As the star witness in a murder trial against a drug dealer, Stella is now in the Witness Protection Program. The small town locals can never know who she really is. Not even Chet Falconer, the one boy who makes her want to reveal her true self. She knows that telling the truth will only bring violence to this safe haven.

Despite how hard Stella tries to stay under the radar, danger is fast-approaching. Criminals have a way of getting rid of witnesses, and Stella may have made the one mistake that could lead the cold-blooded men hunting for her right to her doorstep.

Editorial Review

From School Library Journal

Gr 9 Up—Stella Gordon isn't her real name, she's not from Tennessee, and her parents aren't dead, but to everyone in Thunder Basin, NE, that's her story. As part of the Witness Protection Program, Stella has to spend her summer incognito in the middle of nowhere with a retired cop. She's impatiently awaiting her upcoming 18th birthday, hoping to rejoin her boyfriend. Both witnessed a murder and have sworn to testify against the member of a powerful drug cartel. With their lives in constant danger, they are being kept separated and warned against any attempts at communication. Stella is finding it hard to adjust to small-town life under the watchful eye of her strict guardian. To escape the boredom, she takes a job at a local restaurant and spends her free time flirting with the handsome Chet Falconer. But when flirting leads to serious attraction, Stella finds herself questioning her choices and her future. From an unlikely source, she discovers the lie she's living now may be nothing compared to the lie she was unwittingly living before, and in her desperation, she makes one crucial mistake that could prove fatal. Each of the main characters is harboring a secret that will keep readers guessing to the end, but what should be the tension-building specter of ever-present danger gets lost amid quaint descriptions of rural living and Stella's repeated (failed) attempts at loyalty to her boyfriend. **VERDICT** A good read for romance fans, but crime drama enthusiasts should look elsewhere.—Cary Frostick, formerly at Mary Riley Styles Public Library, Falls Church, VA

Review

"A swoonworthy romance. . ." (*Kirkus Reviews*)

"[W]ill keep readers guessing to the end..." (*School Library Journal*)

"[T]he reader can't help but root for Stella. . . This is a wonderful novel, full of adventure, love, and forgiveness." (*School Library Connection*)

About the Author

Becca Fitzpatrick is the author of *Black Ice*, *Dangerous Lies*, and the Hush, Hush saga, including *Hush*, *Hush*; *Crescendo*; *Silence*; and *Finale*—all of which debuted as *New York Times* bestsellers. She graduated college with a degree in health, which she promptly abandoned for storytelling. When not writing, she's most likely running, prowling sales racks for shoes, or watching crime drams on TV. She lives in Colorado with her family. Find out more at BeccaFitzpatrick.com.

Users Review

From reader reviews:

Richard Linneman:

What do you concerning book? It is not important with you? Or just adding material when you need something to explain what you problem? How about your free time? Or are you busy particular person?
