By Michael Law

### Getting to Know ArcGIS Pro By Michael Law

In the tradition of the best-selling Getting to Know series, *Getting to Know ArcGIS Pro* teaches new and existing GIS users how to get started solving problems by visualizing, querying, creating, editing, analyzing, and presenting geospatial data in both 2D and 3D environments using the latest ArcGIS mapping app, ArcGIS Pro. This book teaches the basic functions and capabilities of ArcGIS Pro through practical project workflows and shows how it is an essential component of the ArcGIS platform. Data for completing the exercises is available for download ([esri.com/esripress-resources](http://esri.com/esripress-resources)).

Note: Esri Press e-books do not include 180-day trial software. However, Esri offers a free 60-day license for ArcGIS that you can download at [www.esri.com/software/arcgis/free-trial](http://www.esri.com/software/arcgis/free-trial).

### Editorial Review

#### About the Author

Michael Law has worked professionally with GIS since 2004 when he began at Rand McNally Canada and later worked as a cartographer for Esri Press, where he developed cartography for books, and edited and tested GIS workbooks. Now based in Toronto, Canada, Law continues to work with GIS software, writing technical documentation, teaching training courses, and designing and optimizing user interfaces.

Law and Collins are the authors of two editions of *Getting to Know ArcGIS for Desktop*.

Amy Collins was first introduced to GIS in 2002 when she began working as a technical editor at Esri.

There, she honed her GIS skills and cultivated an interest in designing effective instructional materials. Now a writer and editor based in Northern California, she continues to develop GIS materials, among other projects.

Law and Collins are the authors of two editions of *Getting to Know ArcGIS for Desktop*.

### Users Review

#### From reader reviews:

#### Terry Kopp:

What do you consider book? It is just for students because they're still students or the idea for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has distinct personality and hobby for every other. Don't to be forced someone or something that they don't want do that. You must know how great as well as important the book *Getting to Know ArcGIS Pro*. All type of book can you see on many resources. You can look for the internet resources or other social media.

#### Edward Baca:

Here thing why that *Getting to Know ArcGIS Pro* are different and trusted to be yours. First of all examining a book is good however it depends in the content from it which is the content is as delightful as food or not. *Getting to Know ArcGIS Pro* giving you information deeper as different ways, you can find any book out there but there is no e-book that similar with *Getting to Know ArcGIS Pro*. **Tyler Cote:**

This Getting to Know ArcGIS Pro is great book for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. This kind of book reveal it facts accurately using great plan word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with beautiful delivering sentences. Having Getting to Know ArcGIS Pro in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world in ten or fifteen small right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?
