I never intended to pick up a naked hitchhiker wearing nothing but a guitar. A guitar. Really. I don't collect guys like that (don't ask what kind of guys I do collect), but when you spot a blonde, tanned, sculpted man with a gorgeous smile and his thumb poking up and practically begging you to stop - you stop.

And I definitely never thought I'd be staring into the bright blue eyes of Trevor Connor, the lead singer for Random Acts of Crazy, an indie rock star I followed like the slobbering fileshare fangirl I am. How he came to be nude and lost six hundred miles from home is quite the tale, but how we fell in love is even more unreal.

Because someone like Trevor Connor, headed to Harvard Law next year, isn't supposed to want someone like me, a rural Ohio chick majoring in Boredom at Convenience Store University who is all curves and frizzy blonde hair and manners so unpolished they have sharp edges that make you bleed.

But he did.

When his best friend, Joe Ross, the bass player for Random Acts of Crazy and a man who makes Calvin Klein models look like Shrek, drove eleven hours through the night to rescue him, though, it got real complicated. It's one thing to like two different guys and be torn.

What do you do, though, when maybe - just maybe - you don't have to choose?

As my Aunt Josie says sometimes, "It's always complicated."

Random Acts of Crazy is a standalone, full-length novel featuring Darla Jo(sephine) Jennings, the 22-year-old niece of Josie Mendham from the Her Two Billionaires series. It has, like many new adult novels, an exploration of sexuality for the three main characters, doesn't shy away from mature content, and Darla has a sailor's mouth.

New York Times and USA Today Bestseller! 346 pages

Top 20 ebook in the entire Nook store -- Top 5 New Adult book on Amazon --Top 5 Romantic Comedy on Amazon -- All Romance eBook bookstore Best Seller

"It was funny and irreverent like Wallbanger, but deep and moving like Barbara Elsborg's Strangers. That is a tough mix to pull off. I should warn you though, this book should come with a surgeon general's warning: 'Do not start this book if you have any where to be, anything to do or need to pretend to be remotely interested in conversations with breathing human beings that are not currently also reading this book. Enjoy!'" -- Amazon reader review

"Random Acts of Crazy one of the best if not the best books I've read in a long time. Could not put it down. I laugh so hard my side hurt. Thank God I didn't pee myself!! Congratulations on such an awesome read." -- Goodreads reader review

"Be warned, this is not your mother's romance. It's hard and gritty and smacks you in the face like that burst of heat when you first open an oven door, which is exactly what makes it a refreshing change from atypical sticky sweet love story." -- Featured Staff Pick from Cat at All Romance eBooks

"It's a story about status, desire, hope and acceptance people. Kent's way of transcending class to reveal the naked truth of our perceptions, our tendency to see everyone else as being just like us, is effective. By the end of the story, I found my own comfort level screaming. But I'd just watched these characters struggle with acceptance, not only with each other, but themselves." -- Busted Bindings Book Reviews

About the Author

New York Times and USA Today Bestselling Author Julia Kent writes romantic comedy with an edge. From billionaires to BBWs to new adult rock stars, Julia finds a sensual, goofy joy in every contemporary romance she writes. Unlike Shannon from Shopping for a Billionaire, she did not meet her husband after dropping her phone in a men's room toilet (and he isn't a billionaire).

She lives in New England with her husband and three sons in a household where the toilet seat is never, ever, down.
