### Sealed with a Lie By Kat Carlton

In this sequel to the romantic spy-thriller *Two Lies and a Spy*, Kari must race against the clock on a mission to save her little brother.

Kari Andrews thought life was going to get easier. She was wrong. Following the events of *Two Lies and a Spy*, she and her brother, Charlie, are left to cope with the aftermath while also adapting to a new school—in another country. But then Charlie disappears.

With her brother's life hanging in the balance, Kari, Evan, Rita, Kale, and some new friends from Generation Interpol (G.I.) set off on a race around Europe at the bidding of a voice on a phone. The voice tells them that they need to jailbreak a thief—a flirtatious, *hot* thief—steal something from a high-security bio lab, and deliver the goods during what's sure to be a double-cross exchange. Can they succeed before Charlie pays the ultimate price?

“Solid action, high stakes, and a likable heroine keep the pages turning” (*Kirkus Reviews*).

### Editorial Review

From School Library Journal

Gr 7 Up—Kari Andrews's motto is, "when all else fails, resort to violence." This is sort of odd coming from a 16-year-old prep-school student living in the DC area, but then her parents are both spies working for the Agency, which readers can presume to mean the CIA. She is also proficient at judo and takes care of her seven-year-old genius brother, Charlie, as one of her missions in life. The plot is totally preposterous. Kari gets a message from her parents to grab Charlie and hide until they can reach her. With her high school friends at her side, she does some spying of her own when her parents fail to show up at the three designated safe spots. The teens break into Langley when they find out that Kari's mother is in custody there. It seems that the Agency believes her parents are double agents working for the Russians. Kari doesn't stop until she busts her mother out of captivity and can begin looking for her father. There is a twist at the end that keeps readers engaged. Though the premise is far-fetched, the book is an easy, fun read that would be an additional purchase for libraries looking for espionage fluff.—Elizabeth Kahn, Patrick F. Review

"Solid action, high stakes and a likable heroine keep the pages turning." (*Kirkus Reviews*)

About the Author

Kat Carlton is the alias for a private citizen working in the interests of truth, justice, and the American Way. She'd reveal her true identity, but then she'd have to kill too many people...so Kat is content, like most covert operatives, to take names and kick ass from behind the scenes.

### Users Review

**From reader reviews:**

**Christopher Milbrandt:**

What do you in relation to book? It is not important along? Or just adding material if you want something to explain what yours problem? How about your spare time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They must answer that question because just their can do this. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this particular Sealed with a Lie to read.

**George Valentine:**
