Sports around the World: History, Culture, and Practice [4 volumes]: History, Culture, and Practice From ABC-CLIO

This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports.

- Nearly 900 entries cover most aspects of sport from around the world
- Contributions from more than 200 distinguished scholars, such as Mark Dyreson, Henning Eichberg, Malcolm MacLean, S.W. Pope, and Rob Ruck
- Entries on players, stadiums, arenas, famous games and matches, major scandals, and disasters
- Lists of Olympic medalists for all events since 1896 as well as lists of winners of major events such as the FIFA World Cup and MLB World Series
- Further reading selections provide direction for in-depth analysis of each event, sport, personality, or issue discussed

Editorial Review

From School Library Journal

Gr 9 Up-The first three volumes of this set are arranged regionally and then alphabetically. Volume one covers Africa, Asia, the Middle East, and Oceania; volume two discusses sports in Europe; and volume three covers Latin America and North America. Students who need background information for research papers or essays (for example: to compare U. S. soccer with the sport as played in Italy) will appreciate the readable narrative that is presented in a generous-sized font and that includes a short, current further-reading list. Volume four lists winners in various major sporting events such as the Olympic games. This is a general overview that is extremely broad in scope, therefore there is limited detail and no in-depth analysis. Sports growing in popularity that may generate interest, such as lacrosse, or popular names in U.S. sport history, such as former basketball coach John Wooden, are treated in only a few paragraphs or a single page. The black-and-white photographs are infrequent and unfortunately often too small. Additional.-Blair Christolon, Prince William Public Library System, Manassas, VA(c) Copyright 2011.
