

That Night: A Novel

By Chevy Stevens

That Night: A Novel By Chevy Stevens

As a teenager, Toni Murphy had a life full of typical adolescent complications: a boyfriend she adored, a younger sister she couldn't relate to, a strained relationship with her parents, and classmates who seemed hell-bent on making her life miserable. Things weren't easy, but Toni could never have predicted how horrific they would become until her younger sister was brutally murdered one summer night.

Toni and her boyfriend, Ryan, were convicted of the murder and sent to prison.

Now thirty-four, Toni, is out on parole and back in her hometown, struggling to adjust to a new life on the outside. Prison changed her, hardened her, and she's doing everything in her power to avoid violating her parole and going back. This means having absolutely no contact with Ryan, avoiding fellow parolees looking to pick fights, and steering clear of trouble in all its forms. But nothing is making that easy—not Ryan, who is convinced he can figure out the truth; not her mother, who doubts Toni's innocence; and certainly not the group of women who made Toni's life hell in high school and may have darker secrets than anyone realizes. No matter how hard she tries, ignoring her old life to start a new one is impossible. Before Toni can truly move on, she must risk everything to find out what really happened that night. But in *That Night* by Chevy Stevens, the truth might be the most terrifying thing of all.

Editorial Review

From [Booklist](#)

We meet Toni Murphy just as she's about to be paroled from a Canadian penitentiary. When she was 18, she and her boyfriend, Ryan, were convicted of killing Toni's younger sister. Flashbacks to the months before her sister was killed and the years she spent in prison help the reader understand the woman Toni is today and why she is torn between clearing her name and keeping her head down and avoiding a parole violation. Moving back to her hometown, Toni knows that the truth behind her sister's murder is just out of reach. She's certain, though, that it's not a coincidence that her sister died shortly after befriendng Shauna, a prototypical mean girl who made a hobby out of harassing Toni all through high school. Stevens does an excellent job conveying Toni's near-constant state of unease—as a victim of teenage bullying, a prison inmate protesting her innocence, a parolee who's prohibited from coming in contact with the people who could clear her name. And she supplies a corker of an ending. Fans of Alex Marwood's *The Wicked Girls* (2013) will enjoy this suspenseful tale. --Karen Keefe

Review

A thriller that will grip you from page one. (*Harlan Coben*)

About the Author

CHEVY STEVENS grew up on a ranch on Vancouver Island and still lives on the island with her husband and daughter. When she's not working on her next book, she's camping and canoeing with her family in the local mountains. Her debut novel, *Still Missing*, won the International Thriller Writers Award for Best First Novel.

Users Review
