By Patricia Cori

**The Cosmos of Soul: A Wake-Up Call For Humanity (Sirian Revelations)** By Patricia Cori

*The first of the pioneering trilogy, The Sirian Revelations, offers cosmic wisdom to help humankind realize its highest potential.*

*The Cosmos of Soul* offers a bracing tonic to the shadow of war, disease, and other grim phenomena of contemporary life. The solution, according to noted clairvoyant Patricia Cori, is to awaken into the richer, more meaningful, and empowered existence that is our true fate. Through her psychic contacts with more evolved beings, Cori offers timely insights into the ethics of cloning, the dangers of the Internet, the truth about the AIDS virus, genetic engineering, and other information. Of special interest are the author's predictions of what to expect after 2012, the closing of the Mayan Calendar—a time of galactic events that may change life forever.

### Editorial Review

#### Review

“Patricia Cori has channeled some extraordinary text for humankind and its Spiritual Awakening. Her trilogy of the *Sirian Revelations* is truly illuminating, at the doorstep of Gaia's Golden Age.... Cosmic Knowledge has been handed over via the Hopi Indian Culture. In the form of the Hopi Peace Prophecy, it has survived the centuries, and through Patricia Cori, is now revitalized as a Spiritual Awakening for our decade ahead.”  
—Ove Svidén, President, World Peace Foundation

“*The Cosmos of Soul* is truly a ‘wake up call’ for humanity.”  
—Ruth Montgomery, author of *Strangers Amongst Us*

“*The Sirian Revelations*—a series of books based on higher dimensional teachings, as given by the Speakers of the Sirian High Council, channeled through Patricia Cori, challenge our predominate worldview, revealing our true origins and empowering us to make conscious choices in our ever evolving and often baffling world. Meticulously detailed throughout, the series sheds new light on the historical timeline and offers concrete guidance for ‘starseed awakening.’ Excellent, well-written masterpiece, and highly recommended.”  
—Kathy Doore, author of *Markawasi: Peru's Inexplicable Stone Forest*

“*The Sirian Revelations* provide us with a profound explanation of the mutating consciousness that is occurring throughout our world...”  
—*Nexus Italy Magazine*

"[*The Cosmos of the Soul*] pushes you beyond your boundaries of reality to try to gain a new perspective on life and the self and the role we play on planet Earth."  
—Starseed Shaman

“This material is extraordinary... It is clear the Council, through the channel, Patricia Cori, are absolutely attuned to our experience on earth.”  
—Marcia McMahon Mastroddi, Peaceful Planet Radio

“*The Cosmos of Soul* is indeed the most brilliant book I have read in years, and certainly one of the most important... It is fantastic, and it makes such sense. I am thrilled with Patricia Cori’s ability to connect so powerfully and eagerly await further revelations.”  
—Turtle Rattle Woman, Native American Shaman of the Tsulagi Tribe

"Patricia Cori is a tremendous gift to us all. She has honoured the call of her Soul, and walks as an example of one dedicated to service of the awakening human spirit. Her multidimensional agility in conversation, grounded in her rich personal life experience, offered such sweet music for the dance we shared with all of the listeners, and more to come, who will enjoy the archives. Many thanks to you, Patricia, for your courage and for choosing to be with us all at this time."  
— DJamil Graham, Alchemy of Light Broadcast, BBSRadio.com

"Patricia Cori is one of the most fascinating, charismatic, articulate, knowledgeable and intriguing guests I ever had on The Paranormal Show. I was so captivated by Patricia that the hour interview passed by like a flash of light. When the folks in the control room at the TV station gave me the instructions in my earpiece to

wind down the show as we were nearing the end of it, I had to look at my watch to validate that I was being given the correct message. She is a class act, both on the inside and the outside. Needless-to-say, Patricia will be a welcome guest on my show whenever her travels take her to Canada."

—Stan Mallow, Host, The Paranormal Show

#### **From Chapter One: Let There Be Light**

...In this difficult time of transition, as human consciousness is being blasted out to both extremes of the poles, chaos has manifested as a constant in your world. Yet, within its fiber, its whirling frenzy, is laced the order underlying all life and intelligence in the Cosmos. There is order in chaos, however veiled in the subtle mysteries of nature's illusive rhythms. Once you understand and incorporate this truth into your awareness, you will flow in the wake of change, just as falling leaves dance and pirouette in the wind.

Technology is delivering information from every corner of your planet with such rapidity that it is short-circuiting the neurological networks of your minds. It is too much, too fast. You are being distracted from the universal picture and programmed to perceive your master, technology, as the Great Liberator. Haven't you realized yet that you are becoming enslaved by your computers and the techno-grid of the "Net"? The information industry has moved far ahead of your ability to conceive of its potential impact upon the future of all life forms on Gaia, while you are being spoon-fed only what it feels you will be able to first absorb and then purchase. Recognize, however, that every new electronic instrument is already obsolete well before the cashiers ring up their high-tech invoices and Wall Street grooms you for the next level.

Information regarding the Secret Government's alliance with alien intelligence is being methodically leaked to you in the same way, because you are deemed emotionally incapable of dealing with extraplanetary life and the implications of alien intervention on Earth. But you do understand . . . for you are **starseed**.
