By D. A. Carson

The Gospel according to John (The Pillar New Testament Commentary (PNTC)) By D. A. Carson

In this solid evangelical commentary on John's Gospel, a respected Scripture expositor makes clear the flow of the text, engages a small but representative part of the massive secondary literature on John, shows how the Fourth Gospel contributes to biblical and systematic theology, and offers a consistent exposition of John as an *evangelistic* Gospel. The comprehensive introduction treats such matters as the authenticity, authorship, purpose, and structure of the Gospel.
