Editorial Review

Review

Outstanding and penetrating outline of the processes of war and the means of fighting from 1415 onward.

(Chicago Tribune)

Far and away the best of the histories of military affairs.

(American Political Science Review)

Leaves the reader astonished by its combinations of brevity, clarity, and accuracy.

(Times Literary Supplement)

Surpasses any other general history of the subject.

(Library Journal)

The narrative flows easily, is illuminated by flashes of colorful detail, and relates the development of warfare to the political, technological, and economic changes of the modern era... Especially stimulating and helpful is Mr. Ropp's system of bibliographic footnotes. These are found on almost every page, directing the reader to a well-selected choice of historical and military writings which will provide more light and wider vistas whenever his interest is further stirred by what he is reading... This reviewer... has never seen anything quite as calculated to guide the beginner in further exploration of the subject or to serve as a quick reference index for the experienced analyst.

(New York Herald Tribune)

A substantial and scholarly history of modern warfare from the age of the 'great captains' through the innovations of the industrial revolution, to our age of unlimited violence.

(Foreign Affairs)

A brilliant survey of the history of warfare... the best yet produced anywhere.

(B. H. Lidell-Hart)

About the Author

Theodore Ropp is a professor of history emeritus at Duke University. He is the author of *The Development of a Modern Navy: French Naval Policy, 1871-1904* and *History and War*. He was awarded the 1991 Samuel

Eliot Morison Prize for his contributions to the field of military history. **Alex Roland** is chair of the History Department at Duke University and the author of *Underwater Warfare in the Age of Sail*, *Model Research: The National Advisory Committee for Aeronautics, 1915-1958*, and (with Richard Preston and Sydney Wise) *Men in Arms: A History of Warfare and Its Interrelationships with Western Society*.

Users Review

From reader reviews:

Noah Cale:

Book will be written, printed, or created for everything. You can know everything you want by a publication. Book has a different type. We all know that that book is important factor to bring us around the world. Close to that you can your reading ability was fluently. A book War in the Modern World will make you to be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that will open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you looking for best book or suitable book with you?

Anna Harlow:

As people who live in the particular modest era should be update about what going on or information even knowledge to make these keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice for you but the problems coming to anyone is you don't know what type you should start with. This War in the Modern World is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Robbie Stamant:

Do you really one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its cover may doesn't work this is difficult job because you are afraid that the inside maybe not since fantastic as in the outside search likes. Maybe you answer may be War in the Modern World why because the amazing cover that make you consider in regards to the content will not disappoint an individual. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.

Della Francis:

A lot of reserve has printed but it differs from the others. You can get it by net on social media. You can choose the most effective book for you, science, comic, novel, or whatever simply by searching from it. It is identified as of book War in the Modern World. Contain your knowledge by it. Without leaving behind the printed book, it could add your knowledge and make you happier to read. It is most significant that, you must aware about book. It can bring you from one location to other place.
