Sixteen-year-old Sarah doesn't see dead people, like the kid in THE SIXTH SENSE. But she hears them. And she definitely feels them after her parents move into a new house that turns out to have been the site of a horrible murder or two. And the murderer is still on the loose. Narrator Julie Dretzin delivers the horror in such a low-key, realistic way that listeners will almost forgive the author for giving away too much too early. M.C.
