You can still make it in the market By Nicolas Darvas

Through his own experience, the author has devised a break-through system for charting the stock market, called the Dar-Card. It is easy to use and has the all-important ingredient that existing systems lack: it needs no interpretation. In this book this system is explained. In addition, author offers straightforward advice on when to buy, what to watch for, ways to create favorable odds, how to detect a must sale, etc.
