### Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series) By J Harston, F Ropital

The corrosion of carbon steels in amine units used for gas treatment in refining operations is a major problem for the petrochemical industry. Maximising amine unit reliability, together with improving throughput, circulation and treatment capacity, requires more effective ways of measuring and predicting corrosion rates. However, there has been a lack of data on corrosion. This valuable report helps to remedy this lack of information by summarising findings from over 30 plants. It covers such amine types as methyl diethanolamine (MDEA), diethanolamine (DEA), monoethanolamine (MEA) and di-isopropanolamine (DIPA), and makes recommendations on materials and process parameters to maximise amine unit efficiency and reliability.

- Covers such amine types as Methyl Diethanolamine (MDEA) and Di-isopropanolamine
- Makes recommendations on materials and process parameters to maximise amine unit efficiency and reliability

### Editorial Review

#### About the Author

*Dr John Harston* is an internationally-known expert on corrosion in refining operations. In 1996 he set up Working Party 15 (Corrosion in the Refinery Industry) within the European Federation of Corrosion. Working Party 15 is internationally-recognised for its important contribution to research in this area.

*Professor François Ropital* works in the Department of Corrosion at the Institut Français du Pétrole (IFP) and has been Chair of Working Party 15 in the EFC since 2002.

### Users Review

#### From reader reviews:

##### Joseph Gee:

Book is to be different for every single grade. Book for children till adult are different content. To be sure that book is very important for us. The book Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series) ended up being making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The e-book Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series) is not only giving you much more new information but also for being your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship using the book Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series). You never experience lose out for everything when you read some books.

##### Samuel Lashley:

Now a day folks who Living in the era exactly where everything reachable by match the internet and the resources included can be true or not involve people to be aware of each info they get. How many people to be smart in obtaining any information nowadays? Of course the answer then is reading a book. Studying a book can help people out of this uncertainty Information especially this Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series) book because book offers you rich info and knowledge. Of course the info in this book hundred per-cent guarantees there is no doubt in it you know.

##### Catherine Hudson:

This book untitled Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series) to be one of several books which best seller in this year, that is because when you read this book you can get a lot of benefit on it. You will easily to buy this particular book in the book retailer or you can order it through online. The publisher in this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Smartphone. So there is no reason to you personally to past this book from your list.

**Mary Kasten:**

A lot of people always spent their free time to vacation or go to the outside with them family members or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity here is look different you can read a book. It is really fun in your case. If you enjoy the book which you read you can spent all day every day to reading a guide. The book Amine Unit Corrosion in Refineries (European Federation of Corrosion (EFC) Series) it is very good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. In the event you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book from a smart phone. The price is not to fund but this book has high quality.
