Dawn of Wonder (The Wakening Book 1) By Jonathan Renshaw

Winner 2016 Readers' Favourite Award for Epic Fantasy

Winner 2015 LYRA Award for Sci-Fi/Fantasy

Winner 2015 CIPA EVVY Award for Fiction/Fantasy

Winner 2015 Beverly Hills Book Award for Fantasy

Winner 2016 Audible Best Fantasy Audiobook

Runner-up 2016 IPPY Awards and 2015 Great Midwest Book Festival for Sci-Fi/Fantasy

#1 Bestseller in Epic, Historical and Coming of Age Fantasy.

When a high-ranking officer gallops into the quiet Mistyvales, he brings a warning that shakes the countryfolk to their roots. But for Aedan, a scruffy young adventurer with veins full of fire and a head full of ideas, this officer is not what he seems.

The events that follow propel Aedan on a journey that only the foolhardy or desperate would risk, leading him to the gates of the nation's royal academy – a whole world of secrets in itself.

But this is only the beginning of his discoveries. Something is stirring in the land, something more ominous than the rising threat of hostile nations. Fearful travellers whisper of an ancient power breathing over Thirna, changing it, waking it. In the very heart of these stirrings, Aedan encounters that which defies belief, leaving him speechless with terror – and wonder.

Editorial Review

Review

"This is one of the best novels I've read all year. Readers will know what it's like to be transported to a magical, compelling world within a book." Five stars. **San Francisco Book Review.**

"An excellent fantasy coming of age story. Each of the characters is filled out with a range of emotions and actions. Similarly, their interactions with one another are filled with amusement and feeling. Renshaw's world building and character development are just incredible. There were many times during the listen that I actually laughed out loud! It is definitely a long book, but it lets the reader soak in every part of it with all the detail. The plot is dynamic and there are many highs and lows for Aedan and his companions, which keep it from getting boring with its length. I actually wanted it to keep going! The end is satisfyingly set up for the next novel, which I'm really looking forward to." **Audiobook Reviewer**

"Renshaw's talent for building unique worlds and characters, and simply letting them loose to face their circumstances, is on full display. Dawn of Wonder's crisp flow coupled with constant plot and character development in a fascinating world will reel readers in for a wonderful reading experience." Recommended - **The US Review of Books**

"I can't describe the plot of *Dawn of Wonder* because it is very much its own story. It's the kind of story where you say "I think I'll give this a try for three paragraphs and then move on if it doesn't work out" only to find yourself unable to put it down even for your doctor's appointment. It's worth at least a look. If it's not for you, set it aside. (That's what I told myself. Two days later I came up for air and have hardly stopped raving the book's praises since.) I flat out love this book." **Book in the Bag**

"Mr. Renshaw's writing is simply astounding. His elegant, poetic prose turned a very good story with themes that touched my heart into one that is wondrous. One of the finest fantasy novels I've read in the past few years, period." **Davis Ashura**, award winning author of *A Warrior's Path*

"*Dawn of Wonder* foregoes 'quick and saccharine' for the satisfying choice of 'long and compelling', building the details of a vast production. I can't wait for book two. If this first story is any indicator, it will be along the lines of a Robert Jordan 'Wheel of Time' epic series." **Midwest Book Review**

About the Author

Jonathan Renshaw is a former high school English teacher and music producer who now writes full time while completing an English masters in the background. He is currently working on the epic fantasy series, *The Wakening*, launched in May 2015. Connect with him at www.jrenshaw.com.
