Family Guy and Philosophy: A Cure for the Petarded (The Blackwell Philosophy and Pop Culture Series) From Brand: Wiley-Blackwell

Family Guy and Philosophy brings together low-brow, potty-mouthed, cartoon humor and high-brow philosophical reflection to deliver an outrageously hilarious and clever exploration of one of TV's most unrelenting families. Ok, it's not that high-brow.

- A sharp, witty and absurd exploration of one of television's most unrelenting families, the stars of one of the biggest-selling TV series ever on DVD, now in its fourth season
- Tackles the perennial positions of *Family Guy* at the same time as contemplating poignant philosophical issues
- Takes an introspective look at what this show can teach us about ethics, ego, religion, death, and of course, time-travel
- Considers whether *Family Guy* is really a vehicle for conservative politics, and whether we should be offended by the show, as well as diving into the philosophy of the cast

Editorial Review

Review

“Maddening in its irreverent audacity, this book reminds me of an old girlfriend: iconoclastic and argumentative, occasionally insane but always entertaining, with a soul of which Stewie could be proud. I couldn’t pull myself away!”

Dave Baggett, editor of Harry Potter and Philosophy and Hitchcock and Philosophy

“This book doesn’t make any sense to me whatsoever, which obviously means it’s brilliant.”

Joey Green, author of The Bathroom Professor: Philosophy on the Go

"Author cooks up a big bowl of philosophy stew while exposing the Family Guy for what it is; a beacon of post-modernism."

TLChicken.com

“It is a rare opportunity to philosophically deconstruct life's absurdities We can laugh in the face of life's troublesome ideas and attempt to understand them.” *Associated Content*

From the Back Cover

That’s right. We’ve done it. We’ve brought together lowbrow, potty-mouthed, cartoon humor and highbrow philosophical reflection. Ok, it’s not that highbrow, but the results are outrageously delicious. In *Family Guy and Philosophy* we tackle the perennial positions of the show and contemplate a little philosophy to boot!

Is *Family Guy* really a vehicle for conservative politics? What’s so funny about dysfunctional families? Should we all be offended by the show? This book gathers original essays from premier philosophers to get behind the punchlines and find out what we’re really laughing at. And of course we dive into the philosophy of the cast as well, asking the important questions, like: What the hell is wrong with Stewie? Who is more human, Peter or Brian? Is Lois a feminist? Is there anything virtuous about Quagmire?

Family Guy and Philosophy takes an introspective look at what this show can teach us about the ego, ethics, religion, death, and of course, time-travel, and delivers a merciless exploration of one of TV’s most unrelenting families.

About the Author

J. Jeremy Wisniewski is Assistant Professor at Hartwick College. He is the author of *Wittgenstein and Ethical Inquiry: A Defense of Ethics as Clarification* (2007) and *The Politics of Agency: Toward a Pragmatic Approach to Philosophical Anthropology* (2008). He is also the editor of *The Office and Philosophy* (Blackwell, 2008).

Users Review

From reader reviews:

This particular book was inspired a lot of people in the world. When you read this guide you will enter the new age that you ever know prior to. The author explained their thought in the simple way, so all of people can easily to understand the core of this reserve. This book will give you a large amount of information about this world now. In order to see the represented of the world within this book.

Norman Brown:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the

library or make summary for some guide, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Family Guy and Philosophy: A Cure for the Petarded (The Blackwell Philosophy and Pop Culture Series) can make you truly feel more interested to read.
