## Revelations of the New Lemuria (TELOS, Vol. 1) By Aurelia Louise Jones

Telos, channeled spiritual messages from the Earth's Interior. Timely and fascinating messages from the people of the ancient civilization of Lemuria, living in the fifth dimensional city of Telos beneath Mount Shasta, CA.

Telos is an ancient Lemurian City of Light that is real and still exists to this day in the physical realm, underneath Mount Shasta. Re-acquaint yourself with Adama, the High Priest of Telos and your eternal father, as he describes the kind of Earthly paradise they have forged for themselves as they raised their consciousness to a fifth dimensional reality. They are the survivors of the lost continent of Mu who perished beneath of waves of the Pacific Ocean over 12,000 years ago. Our Lemurian brothers and sisters of Telos and our former family of ancient times are soon looking forward to coming out, when we are ready, to teach us how to do the same here on the surface.

Due to their isolation from the surface population, they have succeeded in creating a civilization of peace and abundance, with no sickness, aging or death. They have mastered immortality in physical expression and they wish to teach us to do the same. Vividly and heroically, Telos delivers a clear understanding of what is required on the surface to create a prosperous society and a healthy environment. The Telosians and many other spiritually advanced civilizations are very real inside the Earth. They are coming forward at this time to inspire us to follow in their footsteps.

The return of the Lemurians and their eventual emergence among us is nothing less than the "Second Coming" that we have been waiting for, for so very long. The Lemurians have long achieved the fullness of the Christ consciousness, and as we are ready to receive them among us, they will teach us how to implement, right here on the surface of this planet, the type of paradise they have forged for themselves in Telos. They will assist us in building a golden age that will manifest the fullness of the Christ consciousness, which is the divinity that has always been there within our hearts. The indwelling Christ of our being becoming tangibly manifested on this planet and in our daily lives.

Here is what Adama has to say at this time: It is with much delight and anticipation that we bring to you the memories of Lemuria. Though these memories have appeared to be lost for a while, they have continued to live and thrive in your hearts unto this now moment in time. In Telos, we are honored to

join hearts with you, and to assist in the unification of our two civilizations.

We send you much love from Telos, where this divine energy flows in great abundance. Until we meet, keep practicing the art of true love, which starts with loving yourself. May love abound in your heart for each other and for all of creation, as precious jewels and expressions of the Love of the Mother/Father God! We hold you dearly in our hearts. Adama.

#### About the Author

Aurelia Louise Jones was born in Montreal in a French Canadian family in the early 40's. She graduated as a nurse in the early part of her working career, and also worked as a Spiritual and Health Counselor most of her adult life, as a naturopath and a homeopath, using several holistic modalities. She also included in her practice holistic animal care and consulting, using nutrition, homeopathy, flower essences and several other natural healing modalities. She moved to the U.S. in 1989.

Under the sponsorship of the Brotherhood of Light and the order of Melchizedek, she was ordained as a minister in 1998, and has been devoting much of her time to the spiritual ministry ever since. She is also a spiritual teacher of higher consciousness principles leading to the Ascension process.

While living in Montana in 1997, she received direct guidance from Adama, and the Lemurian Council of Light of Telos to move to Mount Shasta to be prepared for a mission with them that will eventually become the major aspect of her life's work. She moved to Mount Shasta one year later in June 1998.

She is now the founder and owner of Mt. Shasta Light Publishing and "The Lemurian Connection Newsletter. At the request of Lady Quan Yin, Aurelia Louise channeled through her cat Angelo a touching message from the animal kingdom, now in a book called: "Angelo's Message to the World". Angelo is her favorite cat who has incarnated to be with her another time in order to bring his message on behalf of the animal kingdom, regarding the treatment of animals on this planet.

She has published two books about Telos and the Lemurian teachings that were first published in French and have become best sellers, especially the second book. Those two books are now published in English and in Spanish.

These books offer very important tools for the understanding of the future of this planet and for the understanding of how life was really meant to be lived here, and how we can change our present reality to a far better world.

Aurelia Louise channels Adama, the high priest of the Lemurian city of Telos as well as other spiritual masters of Light as part of her mission. She holds Lemurian events in the Mount Shasta area once or twice a year, and facilitates initiatic journeys in the Mount Shasta area in the summer time. She also holds conferences and workshops in various countries of the world. She toured part of the French countries of Europe in 2003, speaking in front of thousands of people in France, Belgium and Switzerland. She also holds events in Canada, Tahiti and others of the Pacific Islands.
