By Amity Cross

**Royal Blood: (Royal Blood #1)** By Amity Cross

*"There was no black and white in my world. It was black or blacker. And I was the blackest of them all."*

**Xavier "X" Blood** only remembers the last few years of his life. Trained as an emotionless and deadly assassin, he goes through each day crossing out names on a never-ending list, not once asking why they deserve what he delivers. Death. Then one day, his programming starts to unravel and it's all because of her.

**Mercy Reid** has a secret. A big one. The kind that will get her killed if it gets out. Looking to get lost, she runs from one hopeless situation and falls into the clutches of a monster. A monster that was programmed by the worst of the worst to kill without remorse. A man who is looking for her.

When X is given his latest target, things become muddy. He knows his mark is right in front of his eyes, but he doesn't want to acknowledge it. He's literally losing his mind after all. Will he defy his programming and save the woman who has made him feel again? Or will he pull the trigger?

*From International Bestselling author, Amity Cross, comes Royal Blood, the first full length novel in the thrilling Romantic Suspense series of the same name.*
