The Quest of the Historical Jesus By Albert Schweitzer

**Renowned scholar and author Albert Schweitzer's world-changing study of the true life and teachings of Jesus of Nazareth**

The Christian religious tradition has shaped much of our world for two millennia. But separate from the practice of Christianity is the factual life of Jesus himself. In this groundbreaking study, philosopher and Nobel Peace Prize winner Albert Schweitzer delves into biblical text and historical evidence to deconstruct the many myths of Jesus's life that have been propagated through the centuries. A seminal work, Schweitzer's book brings into focus the social and political currents of Jesus's time to rebut previous authors' hypotheses and form an entirely new one of his own.

A milestone text in its time, Schweitzer's book was so dominant that virtually no new scholarly investigations of the historical Jesus were published for decades after its initial release. Now, more than a century later, *The Quest of the Historical Jesus* remains the standard against which religious academic studies are measured.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.

### Editorial Review

#### About the Author

Albert Schweitzer (1875-1965) was a French-German theologian, philosopher and physician. Schweitzer challenged both the secular view of Jesus as depicted by historical-critical methodology, as well as the traditional Christian view. <http://www.schweitzer.org/2012/en/work-and-life/biography-long> From an early age he showed a passion and talent for playing the organ, and was accepted as a pupil by some of Europe's finest professionals. He later went on to become the world's leading expert on organ building. In 1893, Albert Schweitzer began his studies at the University of Strasbourg, receiving a Doctorate in Philosophy in 1899; his studies also took him to the Sorbonne and the University of Berlin. Later that year he was appointed to the pastoral staff of St. Nicholai's Church in Strasbourg. In 1900 he obtained an advanced degree in theology, and within the next two years was appointed principal of St. Thomas College in Strasbourg, Curate at St. Nicholai, and to the faculty in both theology and philosophy at University of Strasbourg. Along the way, Dr. Schweitzer published several books on theology, including the most famous, *The Quest for the Historical Jesus*, as well as books on Kant, perhaps the definitive biography of Bach, books on organ building, and others.

### Users Review

#### From reader reviews:

##### Jean Fuller:
