

The True History of the American Revolution

By Sydney George Fisher

The True History of the American Revolution By Sydney George Fisher

Fisher's book is a history of the American Revolution told from the viewpoint of a British man. From the preface: "THE purpose of this history of the Revolution is to use the original authorities rather more frankly than has been the practice with our historians. They appear to have thought it advisable to omit from their narratives a great deal which, to me, seems essential to a true picture. I cannot feel satisfied with any description of the Revolution which treats the desire for independence as a sudden thought, and not a long growth and development, or which assumes that every detail of the conduct of the British government was absurdly stupid, even from its own point of view, and that the loyalists were few in numbers and their arguments not worth considering. I cannot see any advantage in not describing in their full meaning and force the smuggling, the buying of laws from the governors, and other irregular conduct in the colonies which led England to try to remodel them as soon as the fear of the French in Canada was removed. Nor can I accept a description which fails to reveal the salient details of the great controversy over the rather peculiar methods adopted by General Howe to suppress the rebellion. This controversy was a part of the Revolution. It involved the interesting question of Howe's instructions from the ministry and the methods which the ministry intended to use with the revolted colonists."

Editorial Review

Users Review

From reader reviews:

Robert Warden:

People live in this new day time of lifestyle always try and and must have the extra time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have free time, we will say absolutely sure. People is human not really a robot. Then we request again, what kind of activity do you have when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading books. It can be your alternative throughout spending your spare time, the particular book you have read is definitely The True History of the American Revolution.

John King:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you might have done when you have spare time, after that why you don't try thing that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love The True History of the American Revolution, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its known as reading friends.

Scott Halpin:

Are you kind of active person, only have 10 or maybe 15 minute in your morning to upgrading your mind ability or thinking skill actually analytical thinking? Then you are having problem with the book in comparison with can satisfy your short period of time to read it because all of this time you only find e-book that need more time to be read. The True History of the American Revolution can be your answer given it can be read by you who have those short free time problems.

Wesley Binns:

In this time globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. Typically the book that recommended to you is The True History of the American Revolution this book consist a lot of the information with the condition of this world now. This book was represented how can the world has grown up. The words styles

that writer use to explain it is easy to understand. Typically the writer made some investigation when he makes this book. That is why this book acceptable all of you.
