

Tournaments: Jousts, Chivalry and Pageants in the Middle Ages

By Richard Barber, Juliet Barker

Tournaments: Jousts, Chivalry and Pageants in the Middle Ages By Richard Barber, Juliet Barker

The first serious study of tournaments throughout Europe reveals their importance - in the training of the medieval knight, the development of arms and armour, as an instrument of political patronage, and as a grand public spectacle.

Editorial Review

Review

Will appeal to a wide audience. It is beautifully presented...the illustrations add further glory to a thorough historical analysis which is based on extensive research in Europe-wide sources... particularly useful in bringing to our attention lesser-known materials from the Iberian peninsula. The level of discussion, range and thoroughness of treatment and excellence of annotation make this a useful reference work for the academic historian too: it is hard to find any aspect of tournaments that is not covered. --History

Users Review

From reader reviews:

Winston Craig:

The book Tournaments: Jousts, Chivalry and Pageants in the Middle Ages give you a sense of feeling enjoy for your spare time. You may use to make your capable far more increase.
