Breach

A breach of duty is the failure to live up to the duty owed.

Here, Bart breached his duty of care several times because the facts say that his 'negligence' caused Aaron to slip and fall. This means that his breach of duty caused Aaron to slip and fall. This was his first breach.

Bart again breached his duty to look and step carefully when he stepped on Aaron's head after the latter had fallen due to Bart's own negligence. This was "a double whammy" on Aaron by Bart because the only reason for this second incident was that he was in a hurry to get to work.

Everybody has that same concern and it does not make his dangerous carelessness reasonable or justified.

Therefore Bart breached his duty at least two times.
