Editorial Review

From the Back Cover

A comprehensive guide to preparing complete and accurate documents and plans for kitchen & bath design

Kitchen & Bath Design Presentation is the definitive guide to document presentation for designers in the kitchen and bath industry. The book shows designers how to properly prepare documents to help clients visualize and understand the project while minimizing costly and time-consuming errors during ordering and installation. Heavily illustrated, it provides expert instruction on drafting basics, tools and techniques, plans and elevations, and computer drafting. With in-depth instruction on using CAD—including explanations of common programs such as 20-20 and Chief Architect—this is the one resource professionals need to successfully communicate a design.

Kitchen & Bath Design Presentation is one of a series of volumes in the National Kitchen & Bath Association's Professional Resource Library. As the only not-for-profit trade association dedicated exclusively to the kitchen and bath industry, the NKBA is the leading source of information and education for professionals.

Essential information on:

- Drawings and Documents
- Measuring the Design Space
- Drafting Conventions
- Designing Kitchens and Baths with CAD
- NKBA Drawings
- Techniques of Hand drafting
- Floor Plans
- NKBA Presentation Standards
