

Modern Syntax: A Coursebook

By Andrew Carnie

Modern Syntax: A Coursebook By Andrew Carnie

This practical coursebook introduces all the basics of modern syntactic analysis in a simple step-by-step fashion. Each unit is constructed so that the reader discovers new ideas, formulates hypotheses and practises fundamentals. The reader is presented with short sections of explanation with examples, followed by practice exercises. Feedback and comment sections follow to enable students to monitor their progress. No previous background in syntax is assumed. Students move through all the key topics in the field including features, rules of combination and displacement, empty categories, and subcategorization. The theoretical perspective in this work is unique, drawing together the best ideas from three major syntactic frameworks (minimalism, HPSG and LFG). Students using this book will learn fundamentals in such a way that they can easily go on to pursue further study in any of these frameworks.

Editorial Review

Review

"This is a daring introduction into syntax. Rather than telling students what syntactic theory looks like, it makes them do syntax. Rather than presenting them with a standard framework, it provides students with the tools and knowledge to pursue any of the major theories. This is a friendly and experienced guide to the rough terrain and breath-taking vistas of modern syntactic theory." --Ad Neeleman, Professor of Linguistics, UCL

About the Author

Andrew Carnie is Professor of Linguistics at the University of Arizona, where he teaches syntactic theory and Celtic linguistics. His previous publications include *Constituent Structure*, Second Edition (2010), *Irish Nouns* (2008) and *Syntax: A Generative Introduction*, Second Edition (2006).

Users Review

From reader reviews:

Marie Aultman:

The book *Modern Syntax: A Coursebook* make one feel enjoy for your spare time. You may use to make your capable far more increase. Book can for being your best friend when you getting pressure or having big problem with the subject.
