### My Only Son By Christopher Gambino

In this expanded version of an earlier work under the same title, Vinny Denucci is the son of Sonny Denucci, the notoriously ruthless “Boss of Bosses” of the five Mafia families of New York. Vinny is a bright, good natured young man, who is sheltered from his father’s business by his strong willed mother, Felicia, who envisions a better life for her son than the one chosen by Sonny. Felicia’s and Vinny’s dreams however conflict with the intentions of Sonny, who wants his only son to be his successor as head of the crime family. Through a series of stunning events, Sonny ultimately wins his struggle with Felcia for Vinny’s soul, and drags Vinny into the life he and his mother so vehemently opposed. This story, through its many twists and turns, traces the life of Vinny from a normal teen through his initiation into the family, where he becomes a “mobster” and begins to detest the man he has become and the father who forced him to go astray. As Vinny struggles for his identity, he learns some very unsettling truths about his father from an unlikely source, which compel him to turn his life around and exact a measure of revenge against Sonny and all that he represents. Vinny conceives a plan to make amends for his sins and escape from the most ruthless man he has ever known. Whether Vinny can succeed depends on a surprising, heart stopping confrontation that will change both of them forever.

#### From the Author

In the first three chapters, you will meet Vinny Denucci the son of the most powerful crime boss in New York City. Vinny had been isolated from his father's work while growing up because his uncle was to be the successor. On his twenty-first birthday, Vinny's father tells him that he must abandon his plans to become a lawyer and instead replace his uncle and become the new successor. "In the real world it is forbidden to have your son become a "made man". It is against the rules." Reluctantly, Vinny participates in his assigned birthday ritual, which requires him to kill a disloyal family member. As a "made man" and the family successor, Vinny must watch his father's organization while his father takes care of a "business" problem in Florida. When his father is gone, Vinny slowly transforms from a man who must morally justify his actions into a man who, because he cannot trust his acquaintances or even his father, becomes more callous, paranoid, and impulsive. He comes to learn the true nature and consequences of being part of the Mafia and understands why his mother warned him to be strong and resist the lure of "easy" money and power.

#### About the Author

Christopher J. Gambino was born and raised in Queens, New York. My Only Son is his first novel. He who has traveled this road could only have created a compelling story of this genre. Christopher Gambino has traveled the road from New York City to Boca Raton, Florida and on the way became the combination of streetwise and elegant gentleman. The first chapters of "My Only Son" were written in two weeks. Gambino's inspiration was unforeseen and unanticipated. He didn't realize he was an author until he received a sudden intuitive light, which impressed itself upon him with an irresistible clearness and force that allowed the words to vividly flow through him to become the compassionate and desperate story of Vincenzo Denucci. Mr. Gambino is presently writing a second novel addressing the last "CLICK" of Vinny's gun. Does God forsake the truly repentant? Is our prison system capable of real reform? What about our justice system? People ask if "My Only Son" is an autobiography. No, it is not. Rather let us say that it is a catharsis, which became and has left an indelible impression. It is said, that religion is a dedication to the highest value one knows. Christopher Joseph Gambino is a highly inspired, creative author and spiritual man. Christopher Gambino came from humble beginnings and some difficult life experiences, which provided the inspiration for his first novel. Although he has never had any formal training, Mr. Gambino successfully taught himself the art of the novel. He is currently working on a romance novel that reflects the passion and inspiration of his own life experiences. He has also written, "Spirit of the Soul", a collection of daily spiritual messages. He has written his first children's book, "Seymour saves Roxie". He has written several other scripts including a TV drama in which Gambino is the creator, writer and will play a lead role. When the dust settles and he gets writers block, he then turns to his other hobby, cooking. He is an extraordinary chef! Best meatballs, I have ever tasted. He has raised a family. He believes that they give him the drive to write. During the past twenty years Mr. Gambino has been a private investor and the owner of a number of business ventures including retail clothing stores, restaurants, and a record label. Christopher J.
