Preaching The Big Questions: Doctrine Isn't Dusty By Catherine Faith MacLean, John H. Young

What is the meaning of grace, of sin, of the sacraments? How are we to understand our dependence on God or relate to the person of Jesus? What roles do the Bible and the church play in our life of faith? Talking about theology needn't be boring or stuffy, the authors argue. Rather, it is exhilarating to explore the why of our faith. Each of 13 key doctrines is explored theologically, scripturally, in pastoral application, and in a sample sermon.
